10. The guestrooms will be cleaned on the date and time specified by the Hotel, namely between 10 am and 4 pm on Mondays, Wednesdays, and Fridays. The housekeeper will enter the room for cleaning, regardless of whether or not there is anyone in the room. Consumable amenity items such as shampoo, body lotion, etc., will only be provided on the first day of stay.

16. For safety and facility management purposes, Hotel staff will inspect each guestroom on a regular basis or as necessary. If the "Do Not Disturb" sign is displayed on the door at such times, Hotel staff will contact the guestroom by phone, and if there is no response or if it is judged to be urgent, will enter the room for inspection.
17. In the event the Hotel is unable to provide the contracted room during the term of use due to

19. Upon arrival, guests are required to settle the accommodation fee for the number of nights reserved (for stays of 30 nights or more, the total of accommodation fee and application fee).
